Purpose of this document;

The purpose of this policy document is to set out the Company's commitment with regard to waste management and waste disposal. It affords a publicly available, endorsed statement indicating the scope, commitment and objectives of management in regard to this topic.

The policy summarises the Company's methods of controlling waste and managing its activities in such a manner as to reduce environmental effects and comply with all relevant regulatory requirements.

Environment Agency Registration;

Atlas Environmental Solutions Ltd is registered as a lower tier waste carrier/broker/dealer with the Environment Agency. The registration number is: CBDL 19829

Waste disposal – systems in place;

Disposal of sweeping residue/soot from flue or chimney during nesting/fallen bird removal
All sweeping residue is bagged and left with the customer for them to dispose of safely as household waste.

Disposal of outer packaging, emptied low hazard inner packaging, fully emptied and triple rinsed hazardous packaging, used paper overalls, general office waste:
Via Blakeleys Waste Management, Bickershaw Lane, Wigan, WN2 5TB our account number T158.

Disposal of spoiled or unpalatable rodent baits:
All baits are reused on farm situations where it is mixed with fresh bulk baits. Consideration is given to the licensing category of indoor/outdoor use products.

Disposal of unused insecticides:
All mixed insecticides are used on the job intended, careful planning and estimation is used to avoid waste.

Disposal of animal carcasses, animal droppings.
A dedicated freezer – safely marked "Hazard, this freezer contains animal carcasses treated with rodenticide" is in-situ. This freezer, when full will be disposed of via the following route:
A specialist waste carrier, Mr. C. Wilson, North West Skip Hire, Percival Lane, Runcorn.
Waste transfer licence number: EAWML/50471
Waste carriers licence number: NSO/548853
Company registration: 05708070.

Signed;

Mark Stephen Caslin (Director)
